About Egypt-Business.com

Egypt-Business.com is an online directory of Egyptian firms with company profiles, press releases, tenders, jobs and management news.

Egyptian based businesses can easily register their company online. The basic listing is free of charge. Company profiles are visible worldwide. Egypt-Business.com offers advertising to promote a company's goods and services to the marketplace.

Egypt Business Directory gives companies and entrepreneurs a chance to set foot in the regional and global market by setting up their profile according to their needs. With traffic from over 152 countries, these profiles are visible to local and international investors and customers.

Focusing on Business-to-Business communication and relations, we – the team of egypt-business.com – aim at promoting the Egyptian and Arab economy and giving entrepreneurs, start-ups and new companies the chance to be heard and seen. We give you a platform to publish your news, job offers, tenders, events, and latest products.
